Applications are invited for the post of Research Fellow

Project title: Green chemistry perspectives – surfactant mediated catalytic processes

Sponsor: UGC-BSR (Under faculty fellowship programme)
Principle investigator: Prof. Radha V. Jayaram
No. of position: ONE
Qualifications: M.Sc. Chemistry (with 60 % marks)
Fellowship: Rs.30,000 per month (Consolidated)
Duration of the project: 3 years

The Research fellow will be initially appointed for a period of 12 months and the tenure may be extended till the end of project depending on candidate performance.

The appointment of the project will terminate with the project.

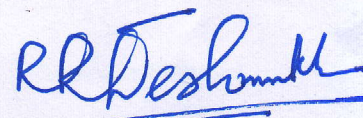

The selected candidates can register for a Ph.D. programme, provided he/she qualifies for the same as per ICT norms.

Interested candidates should send their applications including cover letter, Curriculum Vitae by email (research.assistant@staff.ictmumbai.edu.in with CC to rv.jayaram@ictmumbai.edu.in). Please mention in the subject of email "Application for the post of Research Fellow" for the project "Green chemistry perspectives – surfactant mediated catalytic processes". The applications should reach within 15 days from the date of advertisement. Please note that, only shortlist candidates will be called for interview.

The selection of the candidate will be based on interview conducted by committee. The date and time of the interview will be communicated to shortlisted candidate by email.

The recommendation of committee will be final.

No TA/DA will be provided to appear for the interview.
