Re-Advertisement for Research Fellow

Applications are invited on a plain paper from the candidates to work on two different projects "DEVELOPMENT OF CONTROL RELEASE FORMULATIONS OF DISINFECTANTS" supported by M/s Hindustan Uniliver Ltd. Under the guidance of Professor. P. A. Mahanwar, with fellowship of Rs. 50000:00 (Rs. Fifty thousand (consolidated) per month for the period of one year extended by one more year depending on performance).

The fellow appointed will be not admitted to any of the degree course in the Institute.

Qualification:

M.Tech. (Polymer Engineering and Technology/Surface Coating Technology), M.Sc. (Tech.) Plastics, M.Sc. (Tech.) Paints Technology, M.Sc. (Chemistry), M.Sc. Bio-Technology, Bio Analytical Science/Analytical Chemistry, M.Sc. Organic Chemistry from Institute of Chemical Technology or University of Mumbai or any recognized University in India with 1st class. Person having industrial experience in the field of polymer science will be given preference.

OR

Ph.D. (Tech.) in Polymer Engineering and Technology/Chemical Technology/Surface Coating Technology, Ph.D. in Chemistry (work related in the field of Polymer Science and Technology)

Last date for receiving the application is January 14, 2023

The applications to be submitted to the A. R. Acad. In Institute office in an envelope marked **Project HUL/PAM** or on the email id research.assistant@staff.ictmumbai.edu.in

The date of the interview will be **Wednesday, January 18, 2023 at 11.00 am at conference room of Department of Polymer and Surface Engineering.**

Please Note: No TA/DA will be paid to the candidates
