INTRODUCTION

VISION:

Institute of Chemical Technology, Mumbai perennially strive to be a vibrant institute with continuously evolving curricula to brighten the future of the chemical, biological, materials and energy industries of the nation, and rank amongst the very best in the world through active participation and scholarship of our faculty, students and alumni. We shall be creators of sprouting knowledge and design cutting-edge technologies that will have the greatest impact on society and benefit mankind at large.

MISSION :

We shall generate and sustain an atmosphere conducive to germinating new knowledge at every available opportunity. The education we shall impart will enable our students to devise new solutions to meet the needs of all segments of society with regard to material and energy, while protecting the environment and conserving the natural resources. Our endeavours, while extending well beyond the confines of the classroom, will aim to enhance public welfare and our attempts to disseminate knowledge will spread to a greater multi- and cross-disciplinary platform to conduct research, discovery, technology development, service to industry and entrepreneurship, in consonance with India's

aspirations to be a welfare state. We will team scientists and engineers with professionals in other disciplines to arrive at better solutions. We will provide all our students with a strong foundation to encourage them to be our ambassadors in the professional activities that they choose to undertake in service of society at national and international levels. Through our vision, we will serve the profession and society and strive to reach the summit as a team, and ultimately serve as role models to the younger generation.

SUMMARY:

To ensure growth of ICT as a mentor and overall development of the mentee institute, accordingly the various facts to be addressed include:

GROWTH OF ICT: This would address the learning outcomes of students through continuous development of faculty. Manifold opportunity will be provided to faculty to enhance qualification, strengthen research, ensure high quality publications, patent filing, technology licensing, consultation, sponsored projects etc. Encouragement for pedagogy training will also be provided. These would percolate to students through effective teaching, contemporary teaching and great value addition. Faculty would also serve as role models. Smart

classrooms, wifi and state of art research laboratories would provide an ambience to support growth of both faculty and students.

ICT AS MENTOR: As mentor institute ICT would play and all-encompassing role and address all facets of mentee institute as discussed below.

FACULTY TRAINING:

Which would focus on enhancing qualification as a primary step towards the major goal of growing into good teachers and excellent researchers? Motivation to attend training programmes, workshops and also conduct the same would be facilitated. Impetus to publish in high quality journals will be supported. This would also favour increase in students graduation rate, improve placement for students. Staff training: Needs will be addressed and accordingly training programmes developed. Special programmes will be planned for administrative staff, and technical staff. More importantly programmes that can stimulate motivation, a sense of belonging and help handle stress at workplace will be conducted.

STUDENTS: would be a major focus in the twinning programme. UG, PG and PhD students related issues will be addressed right from strategies to ensure that they are motivated to excel, to innovative approaches

in teaching learning. This would ensure that more students pursue higher studies and improve placement opportunities. The exposure received is expected to improve quality of students.

AMBIENCE: This will be tackled by creating smart classrooms good meeting and conference room and also e-library with an ambience conducive to learning and innovative thinking.

STUDENT EXCHANGE PROGRAMME: Exchange of students at UG, PG and Ph. D. levels would be promoted. While UG would be consider for summer training, PG and Ph. D. would be provided longer training. Opportunity to take credit

courses at ICT as part of the degree would be encouraged. Joined publications, patents are anticipated as a positive outcome of such programme. Joint supervision of Ph. D. and Master Students will be supported.

CONFERENCES AND WORKSHOPS: These would be conducted in thematic areas would be organised to expand the frontiers of knowledge of faculty and students. Some would be at the mentor Institute and some at the mentee institute. Collaboration with industry: ICT's longstanding experience of collaboration with industry would be extending to the mentee institute. Accordingly support would be provided for industrial visits, student

placement. Support would also be extended for joint projects with the industry and scaling up of technologies

NBA ACCREDITATION: Training for NBA Accreditation will be provided. Support in maintaining documents for NBA Accreditation and other formalities would also be provided.

SUPPORTING INNOVATION: Special seminar and workshops would be organised to create and awareness and they require motivation to trigger innovation. Research grant writing workshop would also be conducted with advice on various bodies which could be approached to target funding opportunity

14th Annual Session Of Students' Chemical Engineering Congress Schemcon 2018 OCT26 - 27, 2018

8th Workshop on "Extraction and isolation of phytoconstuents" held 8th-9th Sep. 2018.

"Advanced plastic product design" held on 6th October 2018 by Mr Ravindra-kumar Gupta, Vice president, Camlin kokeyo Mumbai

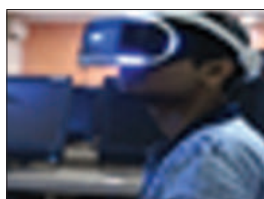

Workshop on “Synthetic Biology” for College Teachers December 13-15, 2018

SEMINARS/ TECHFEST, AND CONFERENCES CONDUCTED BY ICT MUMBAI FOR STUDENTS OF BIT, MESRA

MANZAR 2018

The Cultural Fest

Rangotsav, the Annual Conference on Advances in Polymers and Coatings was held on the 6th& 7th of March 2018 organized by the Department of Polymer and Surface Engineering of ICT.

**Texpression 2018 on 6th April, 2018
on 6th April, 2018**

Inaugural Speech by Mr. Jayant Khera

Yoga day Celebration 21 June 2018

“Women Motivational Seminar” to celebrate Women’s day on 31st March 2018

Texquest 2018 on 6th April, 2018

DEPARTMENT OF FIBRES & TEXTILE
PROCESSING TECHNOLOGY
INSTITUTE OF CHEMICAL TECHNOLOGY
Presents

TEXQUEST 2018

TEXPRENEUR

Do you have an idea worth bringing about a transformation? Through this event we provide you with the platform to showcase your technical know-how along with management skills as an emerging textile entrepreneur.

TEXPRINT

Do you have what it takes to be a technocrat in the blossoming world of textiles? Get ready to run your grey cells to a race against time in this uniquely talented quiz.

TEXSTYLE

As Albert Einstein very rightly said, Creativity is intelligence having fun. Take up this challenge to flower your idea as a textile designer in the most innovative way to come out with the most profits product.

Twining and Mentoring Activity

At Birla Institute of Technology

No. of courses/ classes/workshops conducted by the faculty your for mentee institute for training and academic development and vice versa

Sr. No.	Period of Activity	Courses/ Classes/ workshops conducted	Coordinator Faculty Name	Objectives
1	13/12/2017 to 15/12/2017	Organize three day Workshop on "Writing Skills in research" at BIT, MESRA	Speakers from ICT: Prof. R. S. Singhal, Prof. S. S. Bhagwat, Prof. B. M. Bhange, Dr. Laxmi Ananthanarayan , Dr. A. R. Kapadi, Mr. Amogh Lokhande	Developing the skills and techniques of Research paper writing
2	16/01/2018 to 17/01/2018	Lecture for students	Prof. R. D. Kulkarni	Surfactant Mediated reactive Nanocrystallization for Polymorph selective synthesis of Inorganic Nanomaterials" at BIT Mesra
3	16/5/2018 to 20/5/2018	Workshop on "Industrial Process Simulation"	Participated by Prof. A. Patwardhan, Prof. C. S. Mathapati and Mr. Deepak Bapat	Prof. Ashwin Patwardhan Topic 1: Modeling of supported Liquid Membrane separation Processes Topic 2: CFD modeling for Process Improvement Prof. C. S. Mathapati Topic: Mathematical Modeling and Process Intensification Mr. Deepak Bapat Topic: Molecular Modeling for Liquid Extraction

Sr. No.	Period of Activity	Courses/ Classes/ workshops conducted	Coordinator Faculty Name	Objectives
4	17/08/2018	Induction Programme at BIT Mesra Topic: “ Library, its importance and impact” in Induction programme of BIT Mesra.	Speaker Mr. Amogh Lokhande, Librarian	Interaction with BIT Mesra students for Library, its importance and impact
5	30/8/2018 to 31/8/2018	Industry Partnership for Joint R&D participate in Symposium on “Industry Academia” at BIT, Mesra	Prof. R. S. Singhal Dean RCRM and Mr. Avinash Shejale Director, AIMVENT Capital Advisors PVT Ltd	Interaction with students about Industry Experience
6	8/10/2018 and 9/10/2018	Organize seminar at BIT Mesra on Governance & Reforms on 8th Oct 2018	(1) Prof. G. D. Yadav (i) talk : e Governance & Ranking (ii) Talk: Research & Innovations (2) Prof. R. R. Deshmukh: Talk on Reforms and best Practices in Examinations and Evaluation (3) Prof. B. M. Bhanage Talk : Infrastructure management	Interaction with faculty members
7	4/11/2018 to 5/11/2018	NBA SAR Filling workshop	ICT Faculty Dr. C. S. Mathapati, Dr. S. Chakraborty and Dr. Sandeep More visit to BIT Mesra to share experience of NBA SAR Filling	Hands on experience on NBA SAR Filling

Prof. R. D. Kulkarni Talks on “Surfactant Mediated reactive Nanocrystallization for Polymorph selective synthesis of Inorganic Nanomaterials” at BIT Mesra from 16/01/2018 to 17/01/2018

BIT, Mesra Students attended the course/s at ICT Mumbai under student exchange program

S. No.	Name	Period of Activity	Gender	Title	Guide Name
1	Ritika Sinha	15 May 2018 to 30 June 2018	Female	Photocatalytic Degradation of Anthracene	Prof. R. V. Jayaram
2	Tarunam Singh	15 May 2018 to 30 June 2018	Female	C-H Activation of Ketoamides at sp ² hybridized carbon atoms	Prof. B. M. Bhangе
3	Sayantika Chakraborty	15 May 2018 to 30 June 2018	Female	Synthesis and Characterisation of light sensitive Polymers	Dr. S. T. Mhaske
4	Vinay Jhahria	15 May 2018 to 30 June 2018	Male	Development of Environmental friendly coatings based on natural shellac and its Applications for iron and copper protection	Dr. S. T. Mhaske
5	Syed Shabbir Ahmad	15 May 2018 to 30 June 2018	Male	Synthesis of polymer nano composite films using plasma functionalized nano-particles to enhance its properties	Dr. R. R. Deshmukh

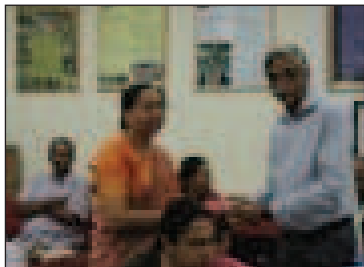

S. No.	Name	Period of Activity	Gender	Title	Guide Name
6	Shreya Sinha	15 May 2018 to 30 June 2018	Female	Synthesis and Characterization of Thermal Sensitive Polymers	Dr. S. T. Mhaske
7	Samiksha Gupta	15 May 2018 to 30 June 2018	Female	Metal Oxide Nanoparticles synthesis and Characterization	Prof. V. K. Rathod
8	Roshan Kumar	15 May 2018 to 30 June 2018	Male	Synthesis characterization and application of nanocrystalline metal oxide and kinetic studies	Prof. V. K. Rathod
9	Lavala Srinivasarao	15 May 2018 to 30 June 2018	Male	Numerical simulation of 1D and 2D problems using finite control volume method	Dr. A. K. Sahu
10	Poulami Sengupta	15 May 2018 to 30 June 2018	Female	Phosphine-free Palladium complex for Low Temperature functionalization of Nucleosides	Dr. Anant Kapdi
11	Pragya Prakash	10/10/2018 to 17/12/2018	Male	Purification & Characterization of L-asparagines enzyme.	Dr. Sanjeev Chandrayan
12	Arkaprava Gupta	5/12/2018 to 5/1/2019	Male	modelling activity of wetted wall evaporation systems	Dr. C. S. Mathapati

Trainings conducted for faculty/ support staff of BIT Mesra by ICT Mumbai for training and academic development

Sr. No.	Period of Activity	Trainings / Academic Development for Faculty	Coordinator Faculty Name	Objectives
1	31/08/2017 to 2/09/2017	Academic Meeting First visit at BIT, Mesra of ICT Faculty	Prof. G. D. Yadav, Prof. S. S. Lele, Prof. P. V. Devarajan, Prof. R. V. Adivarekar, Prof. R. V. Jayaram	Discusses regarding the twinning programme with BIT Mesra
2	30/10/2017 to 2/11/2017	Academic Meeting First visit at ICT, Mumbai of BIT Faculty	Prof. Padmini Padmanabhan (Dean Academic Programme), Prof. Kunal Mukhopadhyay (TEQIP Coordinator) Prof. Sudip Das (TEQIP Nodal Officer Academics) Prof. A.P Krishna (Registrar) Prof. PK Srivastava (HoD Chemistry) Prof. Bimal Kumar Mishra (HoD Mathematics) Prof. Sunita Keshri (HoD Physics) Prof. Ramesh Chandra (HoD BioEngineering) Prof. Sidipta Goswami (HoD Chemical Engineering)	Twinning Programme for Interaction Between Team of BIT, Mesra and Team ICT
4	13/12/2017 to 15/12/2017	Organize three day Workshop on "Writing Skills in research" at BIT, MESRA	Speakers from ICT: Prof. R. S. Singhal, Prof. S. S. Bhagwat, Prof. B. M. Bhanage, Dr. Laxmi Ananthanarayan, Dr. A. R. Kapadi, Mr. Amogh Lokhande	Developing the skills and techniques of Research paper writing
5	5/10/2018 to 6/10/2018	Academic Meeting Visit at ICT	Prof. Kunal Mukhopadhyay, TEQIP Coordinator Prof. Sudip Das, TEQIP Nodal Officer, Academics Prof. V. S. Rathore, TEQIP Nodal Officer, Finance Prof. Gautam Sarkhel, Ex-HoD, Chemical Engineering Prof. Rabindra Prasad Sharma, HoD Mechanical Engineering Prof. Subir Samanta, HoD Pharmaceutical Science and Technology	Discussion on Action Short term and Long term Plan
6	8/10/2018 and 9/10/2018	Organize seminar at BIT Mesra on Governance & Reforms on 8th Oct 2018	(1) Prof. G. D. Yadav (i) talk : e Governance & Ranking (ii) Talk: Research & Innovations (2) Prof. R. R. Deshmukh: Talk on Reforms and best Practices in Examinations and Evaluation (3) Prof. B. M. Bhanage Talk : Infrastructure management	Interaction with faculty members
7	4/11/2018 to 5/11/2018	NBA SAR Filling	ICT Faculty Dr. C. S. Mathapati, Dr. S. Chakraborty and Dr. Sandeep More visit to BIT Mesra to share experience of NBA SAR Filling	Hands on experience on NBA SAR Filling

CAPTURED MOMENTS

14th Annual Session Of Students' Chemical Engineering Congress Schemcon 2018 OCT26 - 27, 2018

Seminars and learning forums conducted by ICT Mumbai for BIT, Mesra on Governance practices, institutional management, academic and non-academic reforms

Sr. No.	Period of Activity	Courses/ Classes/ workshops conducted	Coordinator Faculty Name	Objectives
1	8/10/2018 and 9/10/2018	Organize seminar at BIT Mesra on Governance & Reforms on 8th Oct 2018	Prof. R. R. Deshmukh: Talk on Reforms and best Practices in Examinations and Evaluation Prof. B. M. Bhanage Talk : Infrastructure management	Interaction with faculty members
2	9/10/2018	Governance practices, institutional management, academic and non-academic reforms	Prof. G. D. Yadav (i) talk : e Governance & Ranking Research & Innovations	Interaction with Sr. faculty members

Workshop conducted on Outcome Based Education (NBA) by your Institute for Mentee institute

Workshop on Outcome based Education on 1st Oct. 2018 at ICT

Assistance given by ICT Mumbai for BIT , Mesra in filling up of SAR for getting accreditation

Sr. No.	Period of Activity	Courses/ Classes/ workshops conducted	Coordinator Faculty Name	Objectives
1	13/04/2018 to 14/04/2018	NBA Support	Prof. V. K. Rathod, Prof. R. D. Kulkarni and Dr. Amit Pratap	NBA Support
2	4/11/2018 to 5/11/2018	NBA SAR Filling workshop	ICT Faculty Dr. C. S. Mathapati, Dr. S. Chakraborty and Dr. Sandeep More visit to BIT Mesra to share experience of NBA SAR Filling	Hands on experience on NBA SAR Filling

GATE SCORE 2017-18

No.	Name of Faculty	Department	Name of I.I institute	Program to be accredited
1.	Prof. V. K. Rathod	Chemical Engineering	Birla Institute of Technology, Mesra Ranchi	Chemical Engineering
2.	Prof. R. D. Kulkarni	Oils	Assam Engineering College, Kamrup	Chemical Engineering
3.	Dr. Amit Pratap	Oils	Ujjain Engineering College, Ujjain	Chemical Engineering

NBA Filling Workshop at BIT Mesra from 4/11/2018 to 5/11/2018

PERFORMANCE AUDITOR REPORT 2017-18

The first Performance audit of TEQIP-III Project for academic year 2017-18, was conducted on August 2nd to 4th, 2018. NPIU has communicated the results of this Performance Audit. The grading achieved by our institute on each parameter is as follows:

Sr. No.	Monitoring & Project Outcome Parameter	Score
A.	Effectiveness of funds utilized for the teaching, training, learning and research equipment, library, computers etc by institutions	0.15
B.	Improvement in Teaching, Learning and Research competence	0.15
C.	Implementation of AICTE mandate	0.33
D.	Increasing faculty productivity and motivation	0.16
E.	Effectiveness of equity at institutional level	0.23
F.	Improved system efficiency	0.14
G.	Twinning Activities	0.51
	Total	1.67

This grading is on a 3 point scale (1 to 3), where score of 1 (lowest score) means best performance.
